# Why We Race ...

BECAUSE EVERY CHILD DESERVES A HEAD START. Funds raised through your sponsorship support engaging kids in the outdoors through Wilderness Inquiry's Canoemobile program. # Sponsor the Race Today!

Dear Friends,

The longterm health and vibrancy of our region depends on the strength of our future work force. While students in Minnesota traditionally perform at the top of standardized tests, we have one of the nation's largest disparities between students of color and their classmates.

All students deserve the chance to reach their full potential. We know that providing educational enrichment opportunities through creative programs like Canoemobile can make a big impact on student success. By getting kids out in canoes on the Mississippi River and providing nature-based learning experiences, Canoemobile helps stem summer learning loss while creating memories that last a lifetime.

Please join us in supporting Canoemobile by getting involved in the Great River Race today.
